LETTER OF UNDERSTANDING

This letter of understanding outlines the terms and conditions of the ILSC Work Experience Programs (WEP). Prior to acceptance into the program, ILSC requires the Study Abroad Agent's/Counsellor's and Applicant's signature to acknowledge their understanding of the following:

1. WEP is a holistic program, consisting of 50% academic studies followed by 50% internship experience.*

All WEP Students are required to meet the following:

- Minimum 80% attendance of their academic classes
- A position report within 4 weeks of their internship start date
- Monthly monitoring reports while on internship

Inability to complete any of the above will result in removal from the WEP program, including cancellation of internship services and work permit sponsorship.

*** Work Permits - in order to allow for enough time to look for a job, work permits will be issued to students 6-8 weeks prior to their internship start date.**

*** Work internships cannot exceed the number of hours of study at ILSC; regardless of your work permit expiry date.**

2. WEP Basic Service:

- The ILSC Internship Department will help students apply for a work permit and SIN number, if required.
- Securing an internship is entirely students' responsibility.

3. WEP Standard/Premium Service:

- ILSC arranges interviews based on students' language skills, previous experiences and professional aptitude as well as current local labour market conditions.
- Students must reach the ILSC Intermediate 4 level at least one session prior to their internship start date.
- ILSC holds pre-interview meetings with applicants to help them perform well on the job interviews.
- Interviews are arranged for positions posted on the ILSC internship Database and through a WEP Coordinator.
- ILSC will facilitate up to two (Standard Service) to five interviews (Premium Service). The first job offer that students receive must be accepted. If students are unsuccessful in obtaining employment after the maximum allowed interviews, they are responsible for finding an internship on their own. There is no refund in this case.
- Internships will commence no later than 4 weeks following the scheduled start date of the internship. Students will receive up to 4 weeks of full-time classes until their internship begins. This may result in a shorter internship than scheduled.
- Students should understand that typical positions are entry level in available fields such as customer service, food and beverage and retail/service sectors. These positions may be anywhere in Canada. Transportation to interviews, relocation and accommodation prior to and during an internship is students' responsibility. Wage and salary should be confirmed by students and their prospective employers.
- ILSC does not guarantee a placement, interviews in specific fields or with specific employers.
- Once the job commences, the employers may change their job tasks or assignments from their initial agreement therefore students should be flexible as they are responsible for maintaining their internship.
- If students or employers end the internship position in question, students should understand that they are responsible for securing another internship.
- Standard/Premium Service students who plan to take a break during their program must discuss this with their marketing representative or education agency prior to registration.
