PROGRAM AVAILABLE AT

ILSC-Vancouver

PROGRAM DESCRIPTION:

ILSC's **TESOL-TYL Preparation Plus Diploma Program** is designed to equip you with the language skills for teaching English as a second language to young learners (children, adolescents, and young adults), and is the perfect introduction to working with children in English and to future TESOL course work with our sister school: Greystone College. The basis of teaching English is to understand not only the English language, but also the teaching-learning process. Through a combination of theoretical and practical study, the TESOL-TYL Preparation Plus Diploma Program allows you to achieve an appropriate standard in both skill sets. The strength of the program lies in its high-quality theory preparation, and flexible practicum component integrated into the course.

CLASSROOM STUDY (TOTAL 5 WEEKS)

The class component of the TESOL-TYL Preparation Plus Diploma Program consists of 5 weeks of intensive study and skill development. You will focus on:

- Improving your ESL skills, practicing clear and correct English
- Gaining confidence when speaking English in front of an audience
- Developing a wide and appropriate teaching vocabulary • learning the foundation of second-language teaching
- Understanding methods, strategies, resources, and planning for the ESL classroom

At the end of the practicum students will return to the ILSC classroom for a practicum review and final assessment of their skills.

(Students who graduate at the Intermediate 4 level may register for the Greystone College TESOL with Cambridge University TKT course.)

PRACTICUM PLACEMENT (TOTAL 3 WEEKS)

The Diploma program practicum is integrated into the classroom schedule. For a three week period you will have a placement in an appropriate school setting where you will practice the English you have learned throughout the program. Specific practicum settings are subject to availability and duration of school terms, but may be in day-care, pre-school, or elementary school. The course culminates in the ILSC classroom.
