Dear friends at ILSC Toronto,

On behalf of Médecins Sans Frontières/Doctors Without Borders (MSF), I am pleased to forward you this letter of thanks and certificate of appreciation in recognition of your commitment to MSF's humanitarian work and the people we serve. Thank you so much for having held two weeks' worth of fundraising events to benefit the people of Somalia.

MSF has worked continuously in Somalia since 1991 and currently provides free medical care in eight regions. Over 1,400 Somali staff, supported by approximately 100 staff in Nairobi, provide free primary healthcare, surgery, treatment for malnutrition, as well as support to displaced people through healthcare, water supply and relief item distributions in nine locations in southern and central Somalia. MSF is also providing medical care to Somali refugees in Kenya and Ethiopia. The impressive \$2,300.00 you raised through your various fundraising activities will help us continue to provide essential care to the people of Somalia.

Please pass on our sincere thanks to everyone who contributed to making your fundraising efforts a success. It is thanks to the generosity of people like you that we are able to remain committed to conducting our relief programs impartially and independently, working quickly and efficiently to gain access and offer assistance to people who need our care the most. Thank you for your compassion and concern for the people of Somalia and for helping us in our mission!

Sincerely,

Laura Crickett
Donor Relations Coordinator
